Emergency Response Massage International Oklahoma Chapter - OKERMT State Coordinator

Christopher is a graduate of Massage Therapy Institute of Oklahoma. He is an accomplished therapist with a wide variety of work experiences in a Salon, a Private Clinic and a Physical Therapy Center.

Christopher now maintains his private practice at the Manual Therapy, Inc. In his process of becoming such a successful therapist he has encountered a variety of issues regarding professional practices, full vs. part-time practice and gender issues of being a male therapist. Christopher instructed classes at Massage Therapy Institute of Oklahoma, and is the Coordinator of the “Hired Hands” Sports Massage Team. As Coordinator of the Sports Massage Team he has maintained and increased the ongoing contract with Oklahoma State University, facilitated the program’s growth to include; University of Tulsa, Union High School, and other sports programs throughout the region. He also is a member of the Sports Medicine Committee for Tulsa Technology Center, and contracts with Cancer Treatment Centers of America with the Oncology Rehabilitation Department. His private practice is located At Rē in Tulsa, Oklahoma where he practices with several other massage therapists .
